Personal skills and competences

Mother tongue – Serbian language

Other languages

English language

- Reading [excellent]
- Writing [excellent]
- Speaking [excellent]

French language

- Reading [good]
- Writing [good]
- Speaking [basic]

Social skills and competences

- Years of teaching private classes of English, as well as her current job, have enabled her to gain excellent communication skills, primarily as a teacher, but also by learning from her students and more experienced colleagues. She works well in teams and individually.

- She is writing her master's theses on the topic "The influence of age, English knowledge level and type of motivation on the level of foreign language anxiety" and has so far gained many new insights into the psychology of the learner, primarily learners of foreign languages, as well as in methods of resolving their problems while learning, acquiring and using foreign languages.

Technical skills and competences

Computer work – Internet, MS Office

Artistic and other skills and competences

- Her interest in psychology, innate curiosity and love for literature and reading have given her a good basis for further personal growth and development.

- She has translated many textbooks, articles, scientific and research papers and other documents from the field of economics, management, marketing and entrepreneurship.
